

Transportation is provided for students who attend the After School Program.

Students who ride the bus to and from school, are provided the same service as part of the after school program. Students attending a school other than their home school are provided transportation back to their home school each day following the academic component of the program. Times vary; Bus route information is available in the ASES office and on the Ceres Unified School District web site. You may also contact the Transportation Department 556-1595 and the ASES Office 556-1548
