School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Westport Elementary is a wonderful K-6 school located in the California Central Valley. It is one of the fourteen elementary schools in the Ceres Unified School District.

We believe the mission of Westport School is:

Welcome every student

Encouraging a love of learning

Specializing in meeting individual needs

Teaming up with our community

Promoting perfect attendance

Opening the door to the future

Reaching the CA State Standards

Teaching is our passion!

Westport Elementary School is located nearly 10 miles from the City of Ceres and is in the Ceres Unified School District. The school is one of the smaller of the fourteen elementary schools in the district but pulls from the largest area. All students are eligible to ride the bus to and from school. We have one principal, 19 certificated teachers, one library media clerk, three full-time paraprofessionals, a 20% nurse, one full-time health clerk, one 60% speech teacher, one administrative assistant, one community liaison and three office secretaries. Upper grade receives Music and P.E. teachers two days weekly and primary receives PE once weekly. The school has 22 classrooms, a library, and a large multipurpose room. The school year consists of 180 instructional days with seven minimum days for parent conferencing and three for staff development. The students are in school for 310 instructional minutes a day. Time is arranged during the day for Differential Instruction. The school has a Parent Teacher Club that supports extracurricular programs (field trips) and activities for the school.

The culture at Westport is diverse. Students come from rural farms and small housing areas that are called "tracks." A large part of our population comes from an unincorporated area in South Modesto that is eight miles from the school. Of the approximately 450 students, 90% of the students receive free or reduced cost for breakfast and lunch, 65% are English Learners (EL's). The ethnic make-up approximately includes 85% Hispanic, 11% White, 18% migrant students and 10% special education. Approximately, 60% of the parents are not high school graduates, 25% are high school graduates, with the remainder having some college or being college graduates.

Westport Elementary School includes a two-session preschool program on the campus, a morning session and an afternoon session. Each serves approximately 25 students per class. Parent classes are taught on campus.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: December 2015

Each year the Ceres Unified School District Board of Trustees holds a public hearing to comply with the requirements of Education Code 60119, which ensures the sufficiency of instructional materials in the school district. In addition, within 8 weeks of the start of school the Board of Trustees holds a public hearing to make a determination through a resolution that every student has sufficient textbooks or instructional materials in the four core subjects of reading/language arts, mathematics, science, and history-social science. This public hearing is held to satisfy the requirements under the Williams Act. No school was found to be insufficient of textbooks and instructional materials.

K-6 Adopted materials:

- SRA/McGraw Hill Open Court Reading 2002
- HMH Mathematics 2015
- Houghton Mifflin Science 2008
- Scott Foresman Social Studies 2007

School Facility Conditions and Planned Improvements (Most Recent Year)

Westport prides itself in having clean, safe and maintained facilities. A district committee walks the campus to check the cleanliness of the campus on an annual basis. Westport is annually in the running for top facilities in the district and last received this honor in May 2015. Westport has a dedicated custodial team and district maintenance crew that work together to ensure that our campus is clean and safe. In addition, on an annual basis surveys are given to students, parents and staff. Priorities are addressed from the results of the surveys and walk-throughs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

	5	22	20	90.9	25.0
	6	19	19	100.0	21.1

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The “Proficient or Advanced” is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Family involvement is welcomed and encouraged at Westport. We have many activities in place:

- Regular communication: Hoofprints Newsletter, Parent Communication folders, Newspaper articles, Parent Handbook, Progress Reports
- Regular meetings: monthly ELAC meetings, monthly parent-teacher club meetings, four annual School Site Council meetings, Back to School Night, Open House
- Parent Institute (PIQE) offered annually in district annually and every three years on site
- Parent Nurtured Heart workshops facilitated by two on-site certified trainers
- Parent and community classroom volunteers
- Wednesday volunteers that prep materials for classroom use
- Community events: Rotary Read-In, Career Faire, Turkey Trot, Letters to Santa, etc.
- Family Events: parent visitation day, fall carnival, movie nights, family dine-out nights, end of year family BBQ, etc.

Families are invited to participate with our students' education. To do so, parents need only complete the volunteer application and schedule classroom time with the teacher in advance. Please contact the school office for more information.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2016-17)

Safety is a top priority to the staff, families and students of Westport Elementary. The safe school plan is revised each year with the input of both staff and the School Site Council. Data is collected on school safety through annual surveys to parents, students and staff. Surveys are administered each fall and the safety plan is revised by March of each year.

Westport Elementary takes a proactive approach in encouraging positive student behavior through our Westport Way initiative.

Safety drills and procedures are practiced on a monthly basis. Annual education in drug & alcohol awareness is provided by staff during Red Ribbon activities.

In addition, Westport prides itself in having clean, safe and maintained facilities. Westport is annually in the running for top facilities in the district and last received this honor in May 2015.

Professional Development (Most Recent Three Years)

Staff development is a critical component to teacher and student success, and Ceres Unified School District is dedicated to a variety of professional development opportunities for staff. Every other Monday after school is dedicated to department and grade level meeting times, for teachers to collaborate, learn strategies, and develop action plans to meet identified student needs.

Each meeting focuses on the areas prioritized by student assessment data, teacher input and parent surveys.

The following statements reflect educational practices at all school sites in the Ceres Unified School District.

- Staff development activities at each site have emphasized providing opportunities for teachers to analyze grade level standards and align classroom curriculum to those standards.
- Professional Development & Staff Development Days are planned based upon specific district and site needs.
- Data is reviewed to drive improvement efforts that trigger staff development plans.
- Coaching has been provided to teachers.
- Instructional focus of implementing district norms which include student engagement, higher-level questioning, writing, lesson design.
- The district Professional Development Plans provides a focus on individual needs for staff development.
- The County Office of Education offers workshops on staff development activities related to technology, standards, assessment, and accountability.
- The District Strategic Plan addresses the area of staff development and provides a list of district-wide and site-based action plan activities.

The following statements characterize educational practice at Westport Elementary School:

- 1) Opportunities are provided to share, discuss, and reflect on professional readings and to develop new materials and activities.
- 2) Professional development activities during staff meetings & professional development days are determined by program needs and survey results. Staff development is also provided through staff meetings, district inservices, informal teacher inservices and sharing opportunities, and outside conferences. All staff are offered and encouraged to participate in a variety of inservice training. Teachers are provided release days throughout the year for grade level articulation and planning. Paraprofessionals meet on a regular basis to discuss the program and receive training based on program needs.
- 3) The comprehensive staff development program is site-directed and aimed at improved academic achievement for all student sub-groups with particular emphasis on language/vocabulary development as well as lessons designed with both thorough concept and skill development.

The district participates in Induction at both the district and county level, as well as other county and state approved formal training programs dedicated to improving teacher quality. In addition, the district fully supports classroom teachers with a cadre of full time staff developer/coaches who can assist with the implementation of curriculum and strategies.

School sites must include a professional development plan and budget in their school site plan. Activities can include attendance at summer institutes, after school or Saturday workshops, teacher release days to attend conferences, and grade level or department release days for in depth professional development. All professional development is aligned to the district strategic plan. The goal of all professional development is to increase student achievement.
