

Creating Custom Classes in Think Central

<p>Log into Think Central using your Ceres USD username and password.</p>	
<p>Click the "Settings" button in the upper right hand corner of the Dashboard page.</p>	
<p>Select "Manage Classes" from the drop down menu after clicking on Settings.</p>	

Select "Add Class". This will allow you to create a custom class.

Input a Class Name, grade level that you wish to have the materials available to students, check the Adaptive Learning Products so students can access the Personal Math Trainer.

Include Product	ISBN
<input type="checkbox"/> Go Math! CA Personal Math Trainer Spanish, G2	9780544315600
<input checked="" type="checkbox"/> Go Math! CA Personal Math Trainer, G2	9780544225596

Scroll down the page and continue to check all the products so that students have access to each resource.

Check the programs or products to put in the students' library:
