School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Joel J. Hidahl Elementary, located in the rural south-west part of Ceres and is one of 14 elementary schools in the district Ceres Unified is located in the middle of the Stanislaus County. Hidahl is a K through 6th grade school with a population of approximately 480 students. Hidahl is a Title I School on a traditional schedule. The school staff includes: a Principal, 22 Certificated teachers, an Itinerant Music and an Itinerant P.E. teachers that provide services 2 days per week.. Our MTSS team consists of a School Psychologist, a Resource Specialist, an Intervention teacher, a Speech and Language Pathologist, 2 Education Specialists with a focus on Autism, an Itinerant School Nurse, a Social Skills Facilitator and a Student Support Specialist. Classified support includes an Administrative Assistant, 20 Paraprofessionals, 7 Student Support Assistants, a Library Media Clerk, an Office Manager, two Attendance Clerks, and a Health Clerk. Students participate in PE, Music, and Art. Intervention is also available during the day if needed. Hidahl has a diverse student population. Of the 480 students approximately 83% are socially economically disadvantaged and 37% are English Learners (EL).

Mission Statement:

We collectively embrace, nurture and engage the whole child's unique life journey; guiding each one to reach their greatest potential.

Motto:

"We are every student's teacher!"

Vision:

We envision a school in which all staff build student confidence through good teaching in which all students are successful. Promote a growth mindset, grit, and perseverance. Celebrate even the small wins.

Develop common understanding and implementation (follow through) of school-wide behavior expectations.
 Help build and promote a positive school culture built on kindness and respect with families and students.
 Work collaboratively as a site to meet the needs of ALL students.
 A school in which all staff support and celebrate one another.

We also embody the following values:

- I will make positive connections inside and outside my classroom.
- I will teach the agreed upon essential standards (both academic and behavioral).
- I will be a positive and contributing member of my team.
- I will make decisions based on data rather than opinion or non-factual evidence.
- I will seek out research based, purposeful best practices to ensure ALL students' learning.
- I will seek and accept support from peers to meet student needs.
- I will seek out parent support and keep them informed of their student's progress.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 2020/08

The school district held a public hearing on September 17, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in August, 2020 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

We moved in to the new school facility in January 2006. Construction for four additional portable classrooms were started in the summer of 2006 and occupied in January 2007. The field was seeded, moved the bike racks, and also the the kindergarten playground was completed. The 1-6 grade playground was finished in November 2008.

Administration meets regularly with the head custodian on the condition of the grounds, buildings, and restrooms. We provide a checklist for the District Safety Committee four times a year. Twice a year we receive a site visit from the district office on the condition of the school. The last visit we received a score of 9 out of 10.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 9/12/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Family Engagement is a priority at Joel J. Hidahl Elementary School however due to COVID-19 and restrictions some items may be postponed or reconfigured to adhere to state guidelines. As parents become involved, their children will continue to benefit in their school achievements.

Provide parents of students with information about programs available. Effective communications between home and school is considered to be the most important in developing and maintaining parent involvement.

- The Joel J. Hidahl/Parent Handbook will be available to families.
- School communications to be sent home notifying parents of events will be in English/Spanish.
- Monthly events in school newsletter, Paw Prints, and on our School Facebook/Instagram page.
- Events posted on the school website cusd.k12.ca.us.
- Phone calls, emails or text messages to parents though the use of Parent Square.
- Back to School Night and Open House with translators available whenever possible (digital if necessary).
- Kindergarten Orientation
- Communications to parents that encourage and promote parent involvement, school success, and effective parenting ideas.

Provide opportunities for regular meetings and activities for parents to formulate suggestions, decisions, and participate in education of their children.

- a. Parent/Teacher conferences at least once a year, with translation as needed for that are non-English speaking (digital if necessary).
- b. School Site Council SSC/ELAC meetings held multiple times throughout the year(digital if necessary).
- c. Joel J. Hidahl PTA meetings (digital if necessary).
- d. Access to staff, opportunities to volunteer and participate in their children’s classroom/activities (held off until COVID restrictions are lifted).
- e. Parent recognition at the end of the year (digital if necessary).
- f. Student Recognition for attendance, honor roll, improvement (digital if necessary).
- g. Student Study Team meetings will be held regularly with parents of referred students asked to attend (digital if necessary).
- h. A Hidahl School compact which involves the school, student, and family will be presented to each student/family.
- i. Annual Title I Meeting held at the beginning of each year which parents are invited to give input.
- j. A description and explanation of the school’s curriculum, forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet are made available to parents in the following manner: Parent/teacher conferences held at least once a year, progress/student report cards, testing results and explanation of results are mailed home annually to students in 3rd through 6th grade (digital if necessary).
- k. Hold family events such as Family Reading Night and a Tech Night(held off until COVID restrictions are lifted).

Provide parents with opportunities and information to be involved in school performances, assemblies and other education classes/activities.

- a. “Breakfast with the Principal” once a month to share information (digital if necessary).
- b. Inform parents how best to assist their children in learning at home (digital if necessary).
- c. Provide Adult ELD classes and Parent Institute and other classes (held off until COVID restrictions are lifted).
- d. Parents are invited to student award/recognition and student performances (digital if necessary).
- e. Provide training, conferences, reading and educational materials to enhance the education of parents and to enable them to assist their children with their school work (digital if necessary)..

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.2	5.0	10.1	7.0	3.6	3.5
Expulsions	0.0	0.0	0.3	0.3	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.7	6.2	3.5
Expulsions	0.0	0.4	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

A team of staff members called the PAWS Team meet on a monthly basis. This team is focusing on the works of the Hannigan's. We have identified common areas for the site and have written procedures which have been communicated to staff and taught to the students. These include drop off and pick up of students, use of restrooms, playground, cafeteria, and coming to and from the classrooms, etc. A survey on school safety was given in the spring to staff, students, and parents. The PAWS Team meets monthly to review current data, address concerns, and make recommendations for corrections (this was put on hold due to COVID restrictions and students not being on campus at the beginning of the year). The School Safety Plan was approved by the School Site Council in January of 2021. An area of focus for the upcoming year will be get students engaged in more structured play activities during recess. The goal is to target specific social skills during this time.

Types of Services Funded (Fiscal Year 2019-2020)

Joel J. Hidahl received monies for Title I/ General Fund/LCAP. These monies were used to pay salaries for an Administrative Assistant, Library/Media Clerk, three kindergarten paraprofessionals, and two 3-hour paraprofessionals to support our intervention program. We also used these monies for technology, library books, supplies/materials, print shop, substitutes for release time for staff development, conferences, student incentives to support our school goals and action plans in the School Plan for Student Achievement. The ultimate goal to increase and enhance student learning, specifically are English Language Learners.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	17	16

In the 2018-2019 school year, the school site has planned 10 collaboration/early release days and 5 professional development days. In the 2019-2020 school year, the school site planned for 10 collaboration/early release days, 5 professional development days and 2 days of teacher release days. In the 2020-2021 school year we planned for 5 professional development days (some being held digitally) and 10 early release days (although due to COVID staff have benefited from weekly planning time), one full day of teacher release time was also provided to focus specifically on math. This year staff have also been focused on after school PD related to enhancing their guided reading skills.

Staff development is a critical component to teacher and student success, and Ceres Unified School District is dedicated to a variety of professional development opportunities for staff. There is dedicated time approximately once a week for Professional Learning Communities to meet in order for staff to: collaborate, learn strategies, and develop action plans to meet identified student needs.

The district participates in the induction program for new teachers and other county and state approved formal training programs dedicated to improving teacher quality. In addition, the district fully supports classroom teachers with full time Teachers on Special Assignment (TOSA's) who can assist with the implementation of curriculum and strategies. School sites must include a professional development plan and budget in their school site plan. Activities can include attendance at summer institutes, after school or Saturday workshops, teacher release days to attend conferences, and grade level or department release days for in depth professional development. All professional development is aligned to the district road map plan and district strategic plan. The goal of all professional development is to increase student achievement.

Teacher release days as well as district provided training's are offered to staff on a regular basis. Staff have the option to be out of the classroom for up to 6 days to participate in these activities. Activities chosen are typically teacher driven with admin input/recommendations.
